

## Treasurer of PLAIS

**Professor Piotr Soja, Cracow University of Economics.**

**AIS member since 2004, founding member of PLAIS - 2006**

He is assistant professor in the Department of Computer Science at the Cracow University of Economics (CUE), Poland. He holds a postdoctoral degree (habilitation) and Ph.D. in economics from CUE. He has published in *Enterprise Information Systems*, *Industrial Management & Data Systems*, *Information Systems Management*, and *Information Technology for Development*, among many other journals, as well as in numerous conference proceedings such as AMCIS, HICCS, ICEIS, and ISD. Piotr is currently Guest Editor in *Information Technology for Development* journal and member of the Editorial Board of *AIS Transactions on Enterprise Systems* and *Information Technology for Development*. He is active member of AIS Special Interest Group on ICT and Global Development (SIG GlobDev) and Enterprise Systems (SIG EntSys). Since 2009, Piotr has served as mini-track chair for AMCIS conferences in the area of enterprise system adoption and ICT in developing/transition economies. He is currently track chair for “ICTs in Global Development (SIG GlobDev)” track at AMCIS 2015.
